Course Description

This one-hour CPE course, the second in the 1040 Preparation and Planning series, covers filing status.

Tax developments reflected in this course, including the Consolidated Appropriations Act, 2023 (which includes SECURE Act 2.0), the Inflation Reduction Act of 2022, and other tax legislation, IRS pronouncements, and court decisions, are extensive. They impact 2023 tax year returns that will be filed during the 2024 filing season and refund opportunities for earlier years; as well as point the way to strategic planning in 2024 and beyond. This course brings the tax preparer "up-to-speed" in preparing 2023 tax returns for the 2024 filing season.

Learning Objectives

Upon successful completion of this course, participants should be able to:

- List the different filing statuses
- Determine when it is better for married persons to file jointly or separately
- Explain special rules for those who die during the year
- Identify the requirements to claim innocent spouse relief
